An Update Regarding Senior's Day

Dear Edible Island Community,

In order to avoid drawing crowds and having stressful line-ups to get in to the store we have decided to change Senior's Day this month. For the month of May you each get to choose your own Senior's Day!

Here's how it works.

For those of you that qualify as Senior's (65+), you can choose any day in the month of May to do your big shop and stock up, using your 10% discount.

All you have to do is tell us at the till, or when you email us using the Karma Drops delivery service, that this is Your Senior's Day. We will give you your discount on request.

That's it.

The main reason we are doing this is to prevent an influx of customers on a single day. (Senior's Day is normally held on the first Wednesday of the month and is very busy). We want to avoid lines to get in the store, and keep everyone safe, while still helping our Senior's financially during this time.

You can all help too.

Please help us spread the word by letting your friends and family know about this Special Senior's Day offer!

For more on our health and safety procedures during COVID-19 please have a look at the previously posted notices in this section of the website.

Thank you for taking care of each other. It means the world.

Yours in Health,

Steve Stewart, Owner and General Manager
